**“Let us remember:** Put your heart, mind, and soul into even your smallest acts. This is your secret of success”

We, at Athena Global School Chidambaram, endeavor to provide sufficient opportunities for each student to understand and discover themselves and to face and overcome challenges presented to them to make school life fulfilling and complete. Our life is a journey. We learn and experience something new every day. We not only impart in-depth knowledge of a particular subject but at the same time, also ensure competent and constant growth of the students. Teamwork is the hallmark of Athena Global School.

I appreciate the efforts put in by our wonderful team of students, teachers and the unstinting support of the management for making this truly successful year for all of us. In this pursuit of excellence, I appreciate our parents fraternity for supporting the school in every aspect. Looking forward to another rewarding year of our student's journey towards making and taking their places in the world. I hope and pray students of our school will scale great heights and keep Athena's flag flying high wherever they tread.
