CHAPTER 41: "கள்ளாமை" (IGNORANCE)
COUPLET 430:

"அறிவுடையார் எல்லா முடையார் அறிவிலார்
என்னுடைய ரேனும் இலர்."

- திருவள்ளுவர்

English Translation: "The learned hold all true wealth, while those without knowledge, however wealthy, have nothing of real value."

Dear Parents and Students,

As we journey through this exciting school year at Athena Global School, each day brings new opportunities for learning, growth, and discovery. Our dedicated teachers are here to support every student academically and personally, fostering a lifelong love of learning.

We encourage families to actively participate in school events, including parent-teacher meetings, as your involvement greatly enhances the learning experience. These meetings provide valuable insights into your child's progress and strengthen our partnership in supporting their growth. To our students, continue setting goals and tackling challenges with enthusiasm, as each step brings you closer to success.

Together, let's make this year one of achievement, connection, and growth. I look forward to all we will accomplish!

Warm regards,

LEENA MENON

Principal

The school year at Athena has been filled with excitement and creativity! From colorful celebrations to festive fun, each event brought something special. Here's a look at the highlights!

Rainbow Day

Kindergarten celebrated Rainbow Colour Day with students dressed in vibrant colors. They created a rainbow collage, enhancing their color identification skills. This special day fostered acceptance, understanding, and love for all.

Grandparents Day

Grandparents Day was celebrated, honouring the love, wisdom, and guidance grandparents provide. The event fostered connection and appreciation between generations, helping children recognize the strength and knowledge Elders' offer.

Independence Day

Independence Day celebrations at Athena help students appreciate freedom fighters' sacrifices, democratic values, and the spirit of patriotism. Activities include flag hoisting, speeches, cultural performances, art and craft, quizzes, and competitions.

Janmashtami

Our kindergarten celebrated Krishna Janmashtami, honouring Lord Krishna's joyful spirit. Boys dressed as Krishna with peacock feathers and flutes, and girls as Radha with colorful skirts and jewels, created a lively, devotional atmosphere.

We organize parent workshops to help understand child development and learning, covering topics like parenting styles, discipline, and life skills to support their child's growth.

KG Parent Workshop

Onam celebrations at Athena foster cultural pride and a sense of belonging in children. Through traditional activities, games, and vibrant flower rangoli on the floor, students connect with their heritage and understand the importance of their cultural roots.

Onam Celebrations

Halloween Day

Athena's kid-friendly Halloween celebration teaches students about global cultures and diversity. Dressed as vampires, witches, and more, they enjoy games, candy floss, horror shows, and the Monster Mash Dance Party.

OTHER DYNAMIC PARTICIPANTS

House competitions featured a variety of exciting activities, including memory games, vegetable crafts, doll making, fancy dress, and Warli art, encouraging creativity and skill development.

Field Visits

Students enjoyed enriching field visits to the Agri Department at Annamalai University, Veeranam Lake, the beach, and the local market, enhancing their learning through real-world experiences.

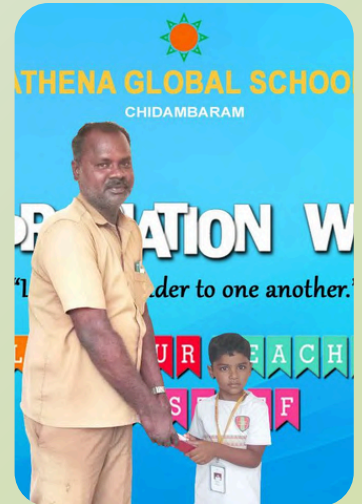

Sports Day

Sports Day was filled with thrilling events like races, pyramid formations, silambam, and aerobic dance, culminating in a celebration of athleticism with prizes for all. Parents participated in various games and events, earning prizes and cheering on the students, fostering a spirit of community.

Appreciation Week

School Appreciation Week allows students to thank sub staff, bus drivers, and other essential workers with gifts, recognizing their vital role in creating a positive learning environment.

Our school celebrated International Chess Day with a tournament where students showcased their strategic skills. Winners received certificates, with special recognition for creative strategies, making it a fun and educational day for the whole community!

International Chess Day

Vijayadashami

The Vidyaarambham ceremony at our school marked the beginning of the academic journey for new Kindergarten (KG) students. In this traditional ritual, children wrote their first letters in grains, symbolizing the start of their learning. The occasion was celebrated with joy by parents and teachers as the children began their learning journey.

On Teachers' Day, students expressed their gratitude by presenting handmade gifts to their teachers, each heartfelt token of appreciation. Speeches filled the air, celebrating the dedication and impact of educators in shaping young minds. It was a day of recognition, warmth, and mutual respect.
